I request early orders exempting Miss: G.L. Jeevaratnam from the training prescribed in G.O.No:306 P.H date 29-1-36. The council sanctioned the opening of the Child Welfare Centre from 1st April 1936 and it has ~~had~~ now commenced its working. The council is keen upon having a Lady Doctor to guide its activities so that some useful work might be done even from the beginning. Early orders are therefore solicited as regards the exemption applied for.

The Municipal Child Welfare Centre which was sanctioned by the Council was opened on 16th June 36 with a midwife and an Ayah in charge of the work. Since the opening of the Centre, the services of a Woman Medical Officer was considered essential for the proper working of the Centre, and to supervise the Maternity and Child Welfare work in the Town. As no candidate with the qualifications prescribed in G.O. No. 306 P.H., dated 29th January 1936 was available Miss G.L. Jeevaratnamma L.M.P. was appointed by the Appointment Committee on the recommendations of the Surgeon-~~Gener~~-General. Government was addressed in this Office G.C. 468/36-E-1 dated 28th April 36 and reminded subsequently in this office G.C. 468-2 dated 4th May 1936, G.C. 468-3 dated 21st May 36, G.C. 468-4 dated 9th June 1936, and 468-5 dated 29th June 36. As no orders were received and as the services of a Woman Medical Officer were urgently required, the candidate appointed by the appointment Committee was ordered to join duty anticipating approval of Government. She reported to duty on 1st July 1936. As the Government refused to exempt her from the prescribed course of Training to hold the post of a Woman Medical Officer in their memorandum quoted above, her services were dispensed with

from the afternoon of 22nd July 1936. I request that sanction may kindly be accorded for payment of her salary for the period she worked, in this Municipality.

The Municipal Health Officer, Bellary.

Sir,

The humble memorialist begs to state as follows:-

That she has been appointed as a Medical Officer to the Child Welfare, Bellary Municipality (Vide orders enclosed) and that she has worked for a bout a month and that she has been discharged on 22nd July 1936 from service( Vide order enclosed) on the ground that the Government have declined in their order No.2678-34P.H., dated 17-7-36 to accord sanction exempting her from the special qualifications prescribed in Government order No. 306 P.H., dated 29th February 1936.

2. That in this connection the memorialist begs to submit that the Surgeon General to the Government of Madras in his letter No.R.1142 E dated 29th April 1936 has recommended her to the post of the Medical Officer attached to the Municipal Child Welfare Centre and on this account the Government have been approached for granting the necessary exemption to the memorialist but to her misfortune the exemption has not been accorded.

3. That the next session will be held in January or so and that she is prepared to undergo the said course as she has

has worked as an house surgeon in Christian Rainy Hospital at Madras for a period of three months, has undergone special training for three months in the Venereal Department attached to the Cenereal Hospital, Madras and has worked ~~markyf~~ nearly a month as a woman medical Officer in the Municipal Child Welfare Centre, Bellary.

4. Had it not been for the appointment in this Municipality she could have in the ordinary course of things continued in her training in the General Hospital wherefrom she could have waited for any suitable appointment elsewhere, instead of taking up the work in ~~hit~~ this Municipality, spending ~~herr~~ own money for joining this place.

5. Further she is a christian solely depending on service and a native of Ongole, and the expenses she has to incur to return to her native place if she is not allowed to continue in the appointment, is another source of hardship under these circumstances.

6. In view the circumstances explained above, the petitioner humbly requests the Benign Covernment to reconsider her case favourably and accord her the necessery temporary exemption from the qualifications prescribed, to hold the post of a woman medical officer in charge of the maternity and child welfare till such a time as she can undergo the prescribed training.

Sir,

Reference:- Government Memorandum No.2678-2-E1 P H dated 17-7-1936.

---

I have the honour to state that the Bellary Municipality allotted funds for the inauguration of maternity and child welfare work sanctioning a full staff of woman medical officer, Health visitor and midwives from April 1936 and that the work has not yet been started owing to lack of staff. They are rather keen and have also undertaken the building of a centre according to a plan approved by the Director of Public Health. In these circumstances I recommend that in the interests of work and to encourage the municipality, work should be started

as

as early as possible and that the issue of either the amendment or a special order sanctioning the appointment may be passed early so that the scheme could be inaugurated by at least 15-8-36. Otherwise there is always the risk of a set back when interest has cooled down through the reluctance of municipality to allot sufficient funds for the next year.

I have the honour to be,

—

The DH recommends the appointment of Dr Seevaratnam as Woman medical offer, Bellary mnlty. She is not now qualified to hold the post of a woman medical offer as she does not possess the requisite Qualification. She has not undergone the special course of training and the Coe has requested that she may be exempted from this qualification. The Statutory Rules issued as Ecuo 306 ABBg 29.1.36 do not provide for ~~the~~ grant of any exemption and the request cannot therefore be complied with unless the rules are suitably amended. The question of amending the rules to obviate this difficulty is in the top file separately under consideration and a decision on that question may be awaited.

Dr Alice Jacob seems to have had an appointment in W. Cardarani. If so she is already in service & has two years in which to complete the training & seems therefore the qualified. Examine this case Cim.

2. Under rule 1 of the
(X) rules in G.O. no. 306 P.H. dated 29.1.36
no person who has appointed
as women medical officer unless
she has undergone the Special
Course of training prescribed
by the DO 14 Rule 2 is
apparently intended to provide
for those persons who were
appointed before the date of
coming of the rules and who do
not possess the qualifications
now prescribed. The natural
interpretation of this rule will be
that a woman medical officer
who was appointed before the
date of coming of the rules and
who continues in service
even after that date can
undergo the prescribed training
within a period of two years
from that date. There may
be cases of unqualified women medical
officers who like Dr Alice Jacob

regn have asked for some
time before the date of entry
of the rules and who were not
actually in service on that
date or who regn have
been in service on that date
but subsequently gone out
of service. When these persons
are again appointed as
women medical officers
it is doubtful whether rule 2
will apply and whether they
can be allowed to undergo
their training within a period
of 2 years from the date
of their appointment. If,
on the other hand, rule 2
is held to apply to such cases,
then Dr Alice Jacobs may
be appointed as women medical
officer and asked to qualify
herself within a period of
2 years But this would be
stretching the rule rather
too widely. Anyhow Legal
may be consulted

The rule would seem to apply to such cases also?

A copy letter Dr. Jeevaratnam who has been appointed a woman medical officer has written letter which she would produce on 1.7.36 and requests early orders granting her exemption Being an unqualified person she is not eligible under the present rules to be appointed as woman medical officer and her appointment as such will be irregular. There is no provision for exemption but the Commissioner may be asked to terminate her services forthwith if she has already been appointed, which is not however likely as the Commissioner would not have allowed her to join pending orders on the report now sent. Even if she has been appointed long time since it is not of much matter and her irregular appointment of a short duration may be condoned.

LEGAL DEPARTMENT.

Rule 2 of the rules in G.O.No. 306 P.H, dated 29th January 1936 seems to apply only to a woman medical officer who was in service on the date of issue of those rules and who continues to be in service for the period of two years referred to in that rule. The concluding portion of the rule provides that if the woman medical officer fails to undergo the prescribed training, her appointment shall be terminated. This indicates that the appointment should continue to be held by the woman medical officer. Any other construction will bring about an inconsistency between rules 1 and 2. The intention underlying rule 2 seems to be that a person who was appointed before the date of issue of the rules may be allowed to continue in service, though she does not possess the qualification, subject to the condition that she acquires the qualification within two years. But if her appointment terminates for want of a vacancy or any other reason, she can be reentertained only on the basis of a new appointment and rule 1 will apply to such reappointment.

Who was appointed after the issue of rule
(X) under Govt. No. 306 Ft., dt. 29.1.36 cannot be confirmed
in service as she did not undergo the special
training. Her services have now been terminated
with effect from the afternoon of 22.7.36.
She woman now requests that her pay for the
period she worked as Woman Medical
Officer from 1.7.36 to 22.7.36 may be
owned and that she may be permitted to
work as an Ordinary Woman Medical
Officer. Both the request may be owned
A draft is accordingly submitted below for
approval. It may issue after perusal
by the Hy. Asst. Secy. G.A.D.

2. To enable unqualified
persons like Miss Jeevaratnam
to be appointed as Women
Medical Officers it has been
decided to amend rule 1 of the
(X) rules in Govt. No. 306 Ft. dt. 29.1.36
and a draft of the amendment
has been published for criticism
(D) in Govt. No. 1021 Ft. dt. 20.7.36.
After the amendment is confirmed
Miss Jeevaratnam will be
eligible for appointment.

It is presumed that the
D.P.H. will have no objection
